A year-long adventure to discover America  
and experiment with the location-  
independent lifestyle

PROJECT

# OUR ADVENTURE LIVE IN 12 CITIES IN 1 YEAR, AROUND THE USA

DATE

2011 AND 2012

CLIENT

TODD BRADLEY AND BETH PARTIN

# More than sightseeing

- \* Roughly one month in each city
- \* Starting Summer 2011
- \* Travel by car from city to city
- \* See past the usual tourist stuff
- \* Trial of the “location independent” lifestyle – digital nomads

# Are you crazy?

- \* *What about your house? Are you leasing it out while you're gone?*
  - \* First, no, we're selling our house and nearly everything in it.
  - \* Second, we intend never to live in Broomfield again.
- \* *Where did you get all the money for a year-long vacation?*
  - \* It's not a vacation. We will work along the way and cut our cost of living way back.

# Are you crazy?

- \* *Are you ever coming back to Denver?*
  - \* Maybe, maybe not.
- \* *So you're living in an RV, right?*
  - \* Nope, everything must fit into our Toyota Prius.
- \* *But where are you going to stay?*
  - \* Apartments, hotels, family, friends, couchsurfing hosts, and camping

# Cities?

- ✳ Places with good infrastructure
  - ✳ Public transportation
  - ✳ Pedestrian-friendly
  - ✳ Lots of free WiFi - can't be a digital nomad without connectivity
- ✳ Variety of housing options, work options, and cultures

# OK, which cities?

- \* Itinerary based on seasons
- \* Winter in the south, summer in the north
- \* The itinerary is flexible – if you have a suggestion, we would love to hear it

# Wait a minute...

- \* *There aren't any East Coast cities on here!*
- \* We know. The USA is too big to see everything in one year, so we're saving the East Coast for year two.

# Other buts we've heard

- ✳ *This doesn't follow the model of the so-called American Dream! You know, the whole delayed-gratification thing.*
- ✳ Thanks for noticing. That was by design.
- ✳ *What if it doesn't work?*
- ✳ If we can't make support ourselves as nomads, we can always settle down and get “regular” jobs again.
- ✳ If we like one of the cities so much we never want to leave, we can stop there.

# How can I help?

- \* Lodging – Help us find places to stay.
- \* Jobs – Beth is copyediting and selling photos; Todd is contracting and doing videography.
- \* Travel tips – “You just have to check out \_\_\_\_\_.”
- \* Contacts – “My brother lives in \_\_\_\_\_ and has a spare bedroom.”

# How can I tune in?

- ✳ We have a website just for this adventure: <http://12cities1year.com>
  - ✳ Blog articles from Todd and Beth, with RSS
  - ✳ Photos and videos from each place we stop
  - ✳ Facebook and Twitter
- ✳ *You gonna make a movie?* Of course. Current spitball:
  - ✳ One short film about each city based on what we learn and do there
  - ✳ One long film about the project overall, focused more on ourselves
